- Committed in Delivering Value
- Timely Delivery of our services

Our Clients

 Indian Jute Industries' Research Association	
	
 AU & Associates Inc. "Excelling Through Service to Others"	
	
	
	
	

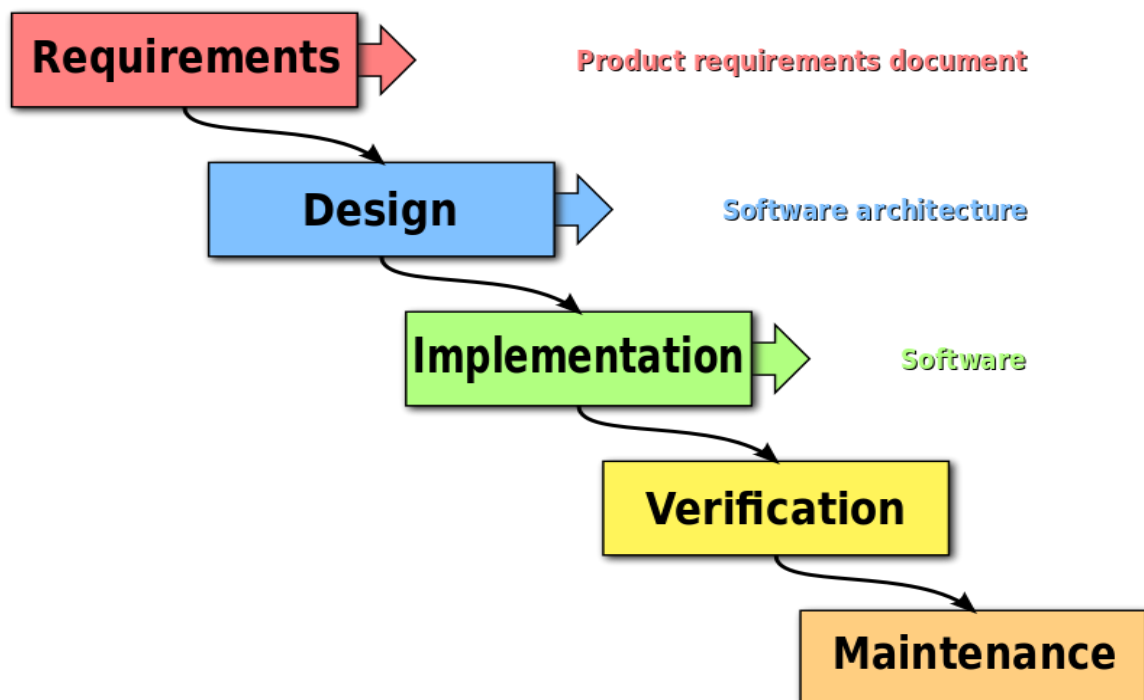

Before starting any project we need to choose some models and framework on which we will work in order to deliver bug free product within the specified time period.

For your project, we have decided to follow “Water Fall Model”.

What is Water Fall Model?

The waterfall model is a sequential design process, often used in software development processes, in which progress is seen as flowing steadily downwards (like a waterfall) through the phases of :

- Conception,
- Initiation,
- Analysis,
- Design,
- Construction,
- Testing,
- Production/Implementation,
- And Maintenance.

Waterfall model maintains that one should move to a phase only when it's proceeding phase is completed and perfected.

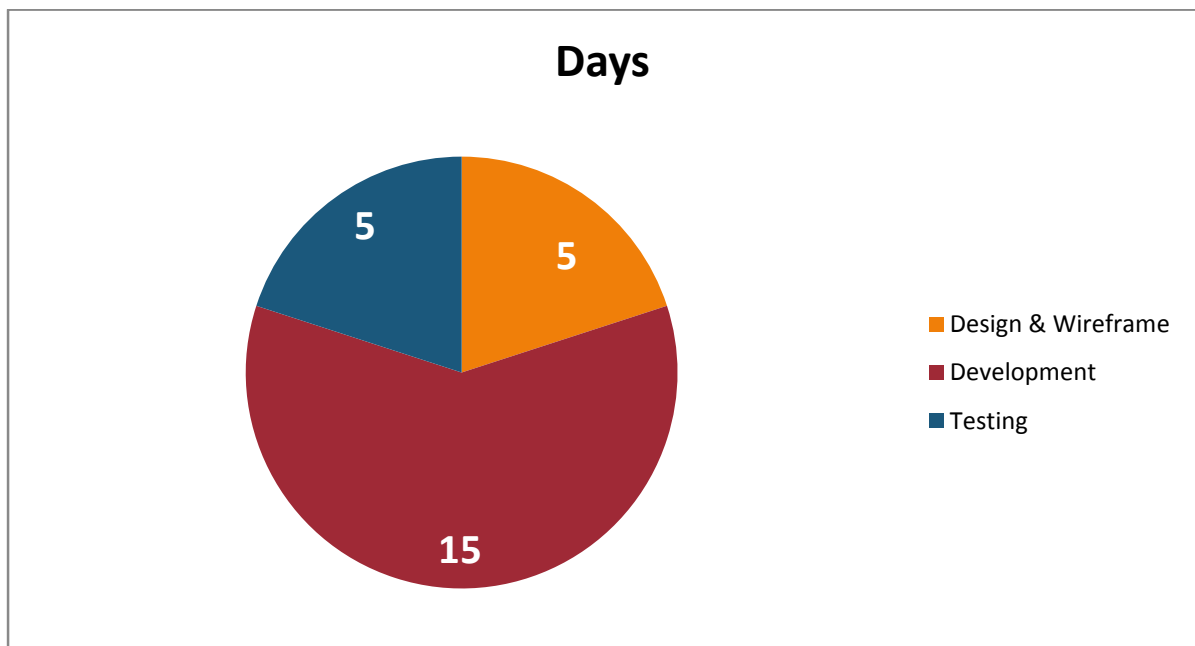

Features of App:

- Users will be able to upload their business logo.
- User will be able to use their uploaded images in form of emojis in the keyboard.
- Users will be able to send these emojis in message or whatsapp.
- Users can edit, delete emojis.
- Users can set link to be opened when somebody taps on the emoji.

Technology to be used:

- Asp.Net
- C#
- Ajax, JSON
- JQuery
- Phonegap / Xamarin (for app development)
- Html5
- Css3
- SQL Server 2012

Implementation Schedule:

Payment Terms:

Product Name	Emoji App for IOS
Total Cost	USD 1250 (Twelve Hundred Fifty US Dollars only)
App Publishing	To be provided by the client
Payment Terms	50% Advance, 25% after development & 25% after testing before delivery.
Taxes & Duties	Extra, as applicable at the time of delivery.
Delivery	20 – 25 days

Thanks for giving your valuable time for going through our proposal, hope we have covered up all the points and requirements of yours, if you feel we have missed out anything or have wrongly understood any points of requirements of yours, please feel free to share it so that we can rectify it and can provide you with the right solution.

Please feel free to contact for any information / clarification.

Regards,

Hemant Agarwal
